

ALEXIS HARROW

PERSONAL PROFILE

Highly motivated and a true individual, Alexis brings great dedication and character to her work. Alexis uses her adaptable writing skills and ability to write from a personable standpoint. Alexis has a confidence in herself to put conviction in her decisions and to voice her opinion, yet at the same time recognise other people's opinions, authority and learn from others. Alexis has gained valuable transferable skills in writing copy, InDesign, writing for print and digital platforms. Alexis uses sophistication and humour in her writing to appeal to wide and varying audiences, with the main goal being to entertain and inform.

Philosophy
Psychology

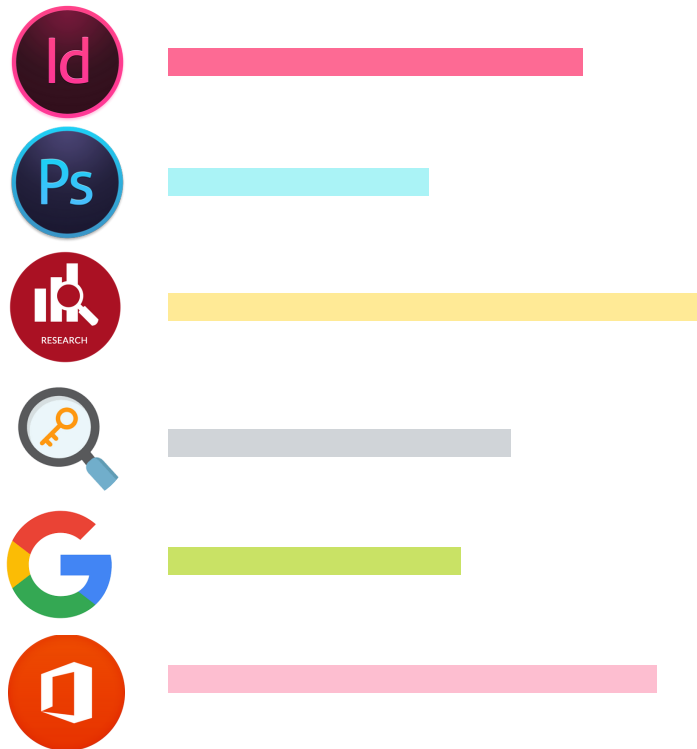

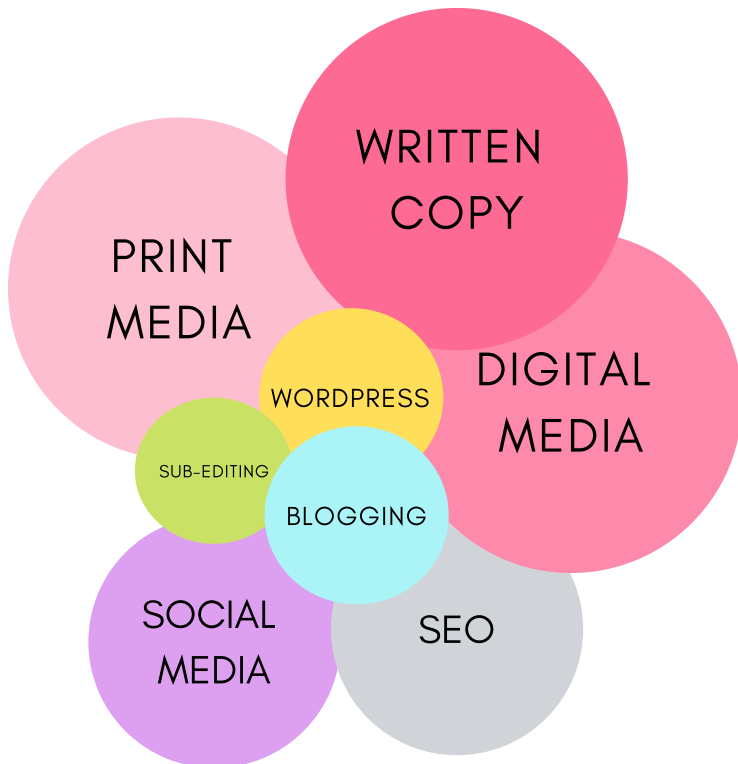

PERSONAL PROFILE

I take great interest in current affairs and like to keep up to date with issues that relate to feminism, religion and politics. I also have a great passion for Doctor Who. I think the undercurrent message is that you have to be the best that you can be in life, even in the worst of situations. I try to apply that to most things in life and it has served me well.
